The collage consists of 15 individual images arranged in a grid-like fashion. The images depict a variety of activities and achievements of the research group:

- Top Left:** A diagram illustrating a scientific concept, possibly related to skin or hair biology, showing a cross-section of skin with a hair follicle and surrounding cells.
- Top Center:** Three men standing together; one is holding a green award or trophy.
- Top Right:** A group of people sitting around a table, each holding a small bowl of food, possibly a social gathering or a meal.
- Middle Left:** A large group photo of many people, mostly women, sitting and standing in a room with wooden beams.
- Middle Center:** A group of people sitting at a long wooden table, eating and socializing.
- Middle Right:** A group of people standing together, some holding small bowls of food.
- Bottom Left:** A man in a white lab coat holding a yellow award or certificate, standing next to a woman in a white lab coat.
- Bottom Center-Left:** A close-up of a plate of food, including a lemon, a tomato, and some green vegetables.
- Bottom Center:** A close-up of a pink, textured surface, possibly a skin sample or a microscopic view.
- Bottom Center-Right:** A person in a white shirt and dark pants running or jumping in a room.
- Bottom Right:** A group of people standing outside a building, with a motorcycle parked in front of them.
- Bottom Far Left:** A cartoon illustration of a man in a purple robe and a white headband, holding a small object.
- Bottom Far Right:** A close-up of a cluster of purple and white flowers.
- Bottom Center (Inset):** A small inset image showing a group of people on a stage, with a man in a white lab coat speaking into a microphone. Text at the bottom of this inset reads: "研究グループ '世界初の発見 治療薬の開発に期待'" (Research Group 'Expectations for the development of a treatment drug from the world's first discovery').
